Context for Learning

In this mini series of lessons, pupils will create a short movie trailer for a fictitious super hero movie using a selection of pre-prepared clips taken from YouTube. In this project pupils will explore how a movie develops from a storyboard to on screen and how music and sound can affect the feel of a movie.

Learning objectives (the intended learning)

- Understand the importance of storyboards
- Create a storyboard for a short movie

Learning Outcomes (how learning / progress will be demonstrated)

All	Will create a basic storyboard for their movie trailer.
Most	Will create a detailed storyboard for their movie trailer.
Some	Will create a detailed storyboard which contains appropriate titles and includes details of timings and transitions.
